

## Ata N.º 08/2024

Aos doze dias do mês de junho do ano de dois mil e vinte e quatro, às 8 (oito) horas e 30 (trinta) minutos, reuniram-se nas dependências da Secretaria Municipal de Assistência Social, membros do CMDCA - Conselho Municipal dos Direitos da Criança e do Adolescente, juntamente com membros da gestão da Secretária Municipal de Assistência Daniela Priamo e Carla da Rocha Dall'Onder, tendo como pauta a seleção do Município para receber recursos do FIA para o **Fortalecimento e desenvolvimento de ações voltadas à Primeira Infância – Creches**. A presidente do conselho deu as boas vindas aos presentes e passou a palavra para a secretária Daniela que após cumprimentar a todos falou da satisfação em receber essa indicação pois trata-se de uma programa voltado prioritariamente, para o atendimento de crianças de 0 (zero) a 03 (três) anos de idade, e prioritariamente, em situação de vulnerabilidade social e assistidas pelos programas sociais de transferência de renda, passou então a palavra para a servidora Carla que apresentou a resolução bem como mapa do terreno onde a creche será implantada. Após analisada a Resolução nº 212/2024 – SEDEF e debate os membros do Conselho presentes **aprovaram por unanimidade a Adesão ao Incentivo e o Plano de Ação do incentivo o Fortalecimento e desenvolvimento de ações voltadas à Primeira Infância – Creches** devendo, portanto ser emitida Resolução e encaminhada para publicação. Nada mais havendo a constar encerra-se a presente ata que segue assinada pelos presentes.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author points out that the United States has a long and complex history, and that it is important to understand the events and people that have shaped the country. The author also discusses the role of the government in the development of the country, and the importance of the Constitution. The author concludes that the study of the history of the United States is a vital part of the education of every citizen.

2. The second part of the paper discusses the role of the government in the development of the country. It is argued that the government has played a major role in the development of the United States, and that it is important to understand the role of the government in the past in order to understand the role of the government in the future. The author points out that the government has been responsible for the creation of the Constitution, the establishment of the federal government, and the development of the country. The author also discusses the role of the government in the development of the economy, and the importance of the government in the development of the country. The author concludes that the study of the role of the government in the development of the United States is a vital part of the education of every citizen.

3. The third part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author points out that the United States has a long and complex history, and that it is important to understand the events and people that have shaped the country. The author also discusses the role of the government in the development of the country, and the importance of the Constitution. The author concludes that the study of the history of the United States is a vital part of the education of every citizen.

4. The fourth part of the paper discusses the role of the government in the development of the country. It is argued that the government has played a major role in the development of the United States, and that it is important to understand the role of the government in the past in order to understand the role of the government in the future. The author points out that the government has been responsible for the creation of the Constitution, the establishment of the federal government, and the development of the country. The author also discusses the role of the government in the development of the economy, and the importance of the government in the development of the country. The author concludes that the study of the role of the government in the development of the United States is a vital part of the education of every citizen.

5. The fifth part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author points out that the United States has a long and complex history, and that it is important to understand the events and people that have shaped the country. The author also discusses the role of the government in the development of the country, and the importance of the Constitution. The author concludes that the study of the history of the United States is a vital part of the education of every citizen.
